**Starved Rock Illinois Principals Association's
John Ourth Student Recognition Awards**

Lincoln School is proud to announce Celeste Martinez and Julian Flores as the recipients of this year's John Ourth Student Recognition Awards. One boy and one girl are chosen representing the exiting class in every school in the Starved Rock Region (Bureau, LaSalle, Putnam and Marshall Counties) of the Illinois Principals Association. The selected students from the area are honored at a breakfast on February 16th in the Streator High School Atrium.

***Congratulations
Celeste and Julian!!!
We are "paws"itively proud of
you both!!!!***

Student Pick Up

Parents please remember the proper procedures for pick up at the end of the school day. The Barton Street hill is best when taken in one forward movement. Also, please remember our neighbors and do not get here too early, pass cars that are already waiting or block our neighbors from getting out of their homes or through the streets.

NOTE: Parents please mark your child's name on the inside of their clothing and materials: coats, gloves, boots, book bags, lunch boxes, etc. Our lost and found continues to grow.
