## Foundation Announcements

- Since the Foundation only has four meetings in a year we hope a newsletter between meetings will keep everyone informed. Let Jim Hermes know if there are other items you prefer to see in the newsletter.
- Check out the District #99 Website. We have added a Foundation link and also a link for our brochure, minutes & newsletters.
- In December we seated Jason Dotson. Unfortunately he has taken a position out-of-town and can no longer serve. We will be looking to appoint a new member in March. It looks as if Mark Hoffert is considering the appointment.
- The Old Town Taco Fundraiser started with Leon's dropping out of the fundraiser due to a family emergency. We did have 50 people visit OTT to support our Foundation. Karry Kurtz (Teacher Aide at JFK) won the laptop donated by Wal Mart.
- Due to the Window Project at Kennedy this summer we need to move Kamp Kennedy to Lincoln.

We would like to re-name it Camp 99.

- Angelo's Coupon will be good May 8 – May 12. The Foundation will receive 50% of the proceeds. Angelo's will soon be donating \$2 from every pasta dinner.
- Ray Nolasco will donate Bears tickets for a game during the 2012 season.

## DonorsChoose.org

Currently there are no District #99 projects listed on Donors Choose. We did have a spokesperson from Horace Mann discuss their role with Donors Choose and the benefits of the website. For teachers to be eligible for a Foundation Grant they must 1<sup>st</sup> apply on-line at DonorsChoose.org.
