The Census is coming!!!!

Did you know that Spring Valley school's federal funding is based on census counts? In this time of economic hardship it is essential that everyone please fill out the census forms, which are to be mailed this month. The 2010 census data will determine the distribution of more than \$400 BILLION in public funds, so an accurate count of our community is important. If you have any questions, please contact Mrs. B at Lincoln School.

- Do you know of a student who is or will be five years old by September 1st, 2010? If so, please ask their parents if they have registered them for Kindergarten for the 2010-2011 school year. If they have not, please ask them to call the Lincoln office at 663-5631, as soon as possible. This information helps us properly prepare for staff, supplies and facilities for our new students.
- As spring weather and thawing begin, please make sure your child has a change of clothing that still fit in their lockers. Please include a pair of pants, shirt, socks and undergarments. Also please remember that students will be outside as much as possible before school and for recess.
