

It's Great to Be a Wildcat!

The Latest BUZZ from Mrs. B

Wildcats are Roaring with good news....

There are so many things to be proud of when we talk about all our kids in the district! After reading, please let all our kids and staff know you are proud of them too!!!!

- Do you talk with your child about **PBIS**? Please take a moment to ask them about it and what it means. We have made several changes to the PBIS program. Please make sure you are aware of the addition of Tier II and what is its purpose and how parents interact within the Tier II program. Please ask your child and the SV staff any questions you may have about it.
- We look forward to working with your child and you this year. We know together we can create opportunities for your child. You can help by talking to your child about school daily. Let them know you are interested too. Remember for our older students there are several extra-curricular opportunities. If your child is interested, there are plays, speech, scholastic bowl and sports which help students build skills and learn teamwork. Our coaches and sponsors are available to answer any questions you may have. It truly is *a great year* to be a **WILDCAT!!!!**
- Thank you to PAWS (Positive Active Wildcat Supporters) for assemblies, supporting PBIS, 6th grade beginning sports, spirit gear and so much more. Please watch for PAWS activities and support their activities.
- Please continue to check the website for important information. In addition make sure you have a valid email address on file so you can follow your child's grades, behaviors, attendance and fees on line. It is also a great way to get a hold of a teacher and for the school to send out important notices. Make sure you are receiving the BCR alerts. All school closings and additional important notices will be sent via the BCR alert.
- Please help with the pick up/drop off process. **All students must get dropped off at the north entrance off Strong Street.** Students should not be dropped off before 7:50 am. **For pick up,** 3rd – 8th grade students will be picked up at the

north entrance. K-2nd grade students will be picked up at the south entrance only after the buses leave. Do not enter the south pick up lanes until directed to do so after ALL the buses have left.

- Did you see the south part of the building? We now have air conditioned classrooms through out the entire school! Thank you to the BOE for making sure everyone had air!

Welcome!

Have you reviewed the Handbook yet?

Yes, it is that time again.... Every start of the school year requires parents and students to review the handbook, especially for the changes and requirements that have occurred. If you didn't pick up a sheet with the major changes on it, you can find all the changes in the Handbook. The handbook can be found at: www.sv99.org. Any questions please ask.

**Wildcats' three key words:
RESPECT, RESPONSIBILITY, and SAFETY!!!!!!**
